

Write a paragraph

Write a topic sentence for four of the following topics.

1. A favorite place to relax
2. A typical food in my culture
3. Something the university could do to help the international students
4. Something the university could do to bring the international students and the local students together
5. A part of your culture that you would like to share with other international students and/or domestic students
6. A challenging experience adapting to university life
7. A public holiday in my home country
8. A saying in my native language

Develop your own paragraph

Review the topic sentences you wrote above and select one to write a paragraph in approximately 100 words. Follow these steps.

STEP 1: Choose one topic sentence you would like to develop into a paragraph

STEP 2: Brainstorm some ideas using any method you like. You may use AI as well.

STEP 3: Develop your paragraph with supporting sentences with facts, examples or statistics

STEP 4: Exchange paragraphs with a partner. Read your partner's paragraph and complete the peer review questions.
